

# CRAP Test

## C: Currency

Is it up-to-date? How recently has the website been updated? Is a date even included? Is the material current enough for your topic?

## R: Reliability

What sources were included in the resource? Is the information balanced? Is it primarily opinion? Are references included (especially for quotes and data)? Is the information presented accurate?

## A: Authority

Who is the creator/author? What are their credentials? How is the research funded? Who is the publisher? Is the publisher/author reputable?

## P: Purpose/Point of View

Is the information fact or opinion? Is it biased? Is the author trying to sell you something? Is there an agenda?
